## Community Service

- To earn **credit** for community service, you must have all of the following requirements completed (no partial credit):
  - At least **five** hours of acceptable community service
  - Valid signature for each different activity
  - All other information included
  - Sufficient written reflection on service (at least one paragraph per question)

**Acceptable Community Service:** Any work done for needy or socially marginalized and/or secular, non-profit organization. Service must be performed outside your family, parish and school. The purpose of these hours is to form the students into responsible Catholic citizens who have a positive impact on the entire community, not only Catholic circles. Forms must be signed by the adult organizing and supervising the student's service. Pre-approval of community hours by one's Religion teacher is strongly encouraged.
