Reports

Treasurer: Current balance is \$44,026.84

- Concession: about 17,000 made this year thus far
- Expenses are up from last year but due to thoughtful purchases

Questions/Comments/Concerns

Updates

Development Updates:

- **Annual Fund= Needs of our School** be open to talking to people about it. The appeal package will be arriving soon- Heads up! We have \$20,000 and need \$125,000
- **Giving Tuesday:** December 2
 - Religious Item: spiritual library, statues of saints too
 - Academic Item: new 6ft tables for when needed for colleges and visits, additional chairs (used for speakers, Mass, etc),

Teacher Appreciation: Teacher lunch on Thursday

- Wish list: most was covered; teachers appreciated the items
- Christmas Fund for the teachers? YES and Boosters will make sure each staff member will get at least \$75
- Can we consider giving the staff each \$100 at the beginning of the school year to use for what they need for their classrooms? It was suggested that we would not have a wish list next year and instead we just give \$100 (to use for what teachers need) and a t-shirt. Can we offer Sonic drink once a while?
- Consider doing teacher meals by last name instead of by class
- Catholic Schools Week- boosters will purchase meal from Traveling Bowl

Concessions: appreciative of everyone who is helping and jumping in

- We have been opening on time and able to stay open longer. We are seeing an increase in profits due to this.
- Makes a difference to have people dedicated to special food items to help manage the crowds.
- Need to consider a better way to process warm drinks when the temperature is too cold. Is it worth to invest in something for two-three games? How much extra work is it for those who are working? Easier to rent what we need? ***come back to this before next school year***
- Feel like we are getting a lot of new faces working concessions.
- We need to finish winterizing the outdoor concession stand.
- Still waiting on quotes for the concession stand windows.
- Discussions about updating meal options such as nuggets and mac & cheese.
- Can we order a nicer cash box for the concession stand? Something more secure?
- Shannon will give instructions for how to stream the games in the concession stand so that workers can watch and be aware of when halftime.
- \$1200 is going to pay student groups

Good Sport Store: still need a coordinator

- Quarter zips were a popular item (40 sold)
- Will do a Christmas Open House, Saturday, December 6 2-4pm
- After Christmas there are limited opportunities for the store to open. Not planning to order more items after Christmas.
- Can we plan to sell alumni shirts before winter homecoming? Do a special-order email for those? Development Office could buy what we don't sell to have for gifts.
- Are there concerns about our store competing with the "team stores"? Not too worried because we sell generic TC items while the team stores are specialized to their sport.

- There are names of people interested in taking over some responsibilities for next year.

Football Mania: \$4,519 this year versus \$4,779 collected last year

Upcoming Event: Cash Giveaway- Daily drawings March 1-17, \$50 a ticket, only 300 tickets are sold

- We will kick off at homecoming

Auction: Save the date: April 18, 2026! Sign ups are online!!!! Harry Potter-ish theme

New Business

Sign Ups: all on the website via links, Game Day workers get paid, booster club not unless a student group

How promote attendance at events? Can we organize a bus to transport students or pay for student tickets? Choose a fan of the game to promote participation?

- Not so much for regular season, but maybe for post season games
- Information needs to be shared with parents!!
- Do we have enough drivers? Could Boosters cover the cost of the driver to get into the game, gas for the vehicle, maybe a meal? Don't have to chaperone during the game.
- This needs to be done for each team (including cheer and dance!)

New Bookshelf in lunchroom: rewards/accolades that have been won throughout the year from all teams/groups

Kairos Team sets up on Sunday, November 16- could we provide a sandwich meal – YES

3:10pm, Thursday November 20 send off for State with cheer as well- goodies are prepared

- Stucco organizes send off, boosters give goodies, Parents should attend
- Champions Mass for those who are state champions. Donuts for school and recognition at half time event
 - Coaches are required to send Senior Night information to parents!
 - Senior Night rules/expectations to parents from school

Boosters host a study night? Boosters support if school organizes

- Snacks, quiet space, provided tutors (adults, teachers, HS students for volunteer time)
- Stucco has done this in the past? Willing to do again?
- Catch up space? Study space for finals?
- Approach Griffith on whether a need could school organize?
- Something besides a Cocoa and Cram

Maintenance Request: All in one cleaning system \$7,134.13

- Has asked the school for this but it keeps getting pushed off
- Could we do half if school does half?

Closing Prayer
